

## **BIBLE STUDIES HERE AT LIVING WORD**

LAST UPDATED: JANUARY 30<sup>TH</sup>, 2012

*If you have questions about these studies you can always call the church office at (262) 677-1685*

**BIBLE STUDY: PHILIPPIANS** – Unlock the treasure of the “joy epistle”, which pinpoints the joy stealers in life and shows why you don’t need to be anxious. Like us, the believers in Philippi needed to understand what it means to be joyful in Christ, no matter what the circumstances may be. God wants us to discover the secret of true joy and contentment by living His will.

Meets on the 2nd and 4th Tuesdays of the month at 7:00 PM at church.

**BIBLE STUDY: “THE POWER OF A WHISPER”** Using real-life experiences, author Bill Hybels reveals the attitudes and actions that helped him hear directly from God when facing challenges. You'll learn how to listen for whispers that determine choices, nudges that rescue us from despair, promptings that spur growth, urgings that come from others, and inspiration that reveals the terrible plight of people around the globe.

This 4 week video series will meet four times all together:  
January 26<sup>th</sup>, February 9<sup>th</sup> and February 23<sup>rd</sup> and March 8<sup>th</sup>.

This group meets at the Demmon home at 6:30 p.m. If you have questions, contact Rachel Demmon at (262) 546-4596.

**BIBLE STUDY: “ESTHER: IT’S TOUGH BEING A WOMAN”** by Beth Moore is a study of the Old Testament book of Esther. This unique women’s only study will lead women through a journey of tragedy and triumph, teaching you how to trust God’s providence for the tough times. Contact Gretchen Huesmann if you have questions. Join the women in the conference room after fellowship or feel free to attend the Tuesday morning sessions here at church at 9:00 AM (free child care offered!)

**BIBLE STUDY: “WORSHIP”** lead by Pastor Huesmann. This study will help you to grow in your understanding of some of the *whys* and *how’s* of worship. We meet back in the Worship Center following Fellowship time.
