

Childcare Programs

Programming for Infants/Toddlers

The development of infants and toddlers will be broadened through loving, individualized care. Growth will be achieved through physical, emotional, social, language, and gross/fine motor development. Infants will function on an individual schedule. Both groups will engage in gross-motor and outdoor activities. Whole milk, 2% milk and 100% fruit juice is offered. Breakfast and two wholesome snacks are included in the tuition for children over one year of age. If parents choose not to participate in the breakfast program they must feed their children breakfast at home before arriving

Programming for Part-day Preschool Children

Our part day preschool program is geared toward three and four year olds who need only an academic program and socialization without extra care. Our program runs daily from 9:00 AM—12:00 PM and 1:00 PM – 4:00 PM*(4 year olds M,W, F / 3 year olds T,TH/2 year olds M, W). This well-rounded program includes opportunities for spiritual, social, academic, emotional, and physical growth. Opportunities for gross-motor and outdoor experiences will also be incorporated.

*Afternoon preschool is offered depending on enrollment

Full Day Pre-School

Our Full Day Pre-School incorporates a full-time program and is geared toward three and four-year-olds. It includes an academic program along with structured free play, breakfast, two snacks, lunch time (parents provide a cold lunch), rest time and large motor skill development in our "Crossing" or outside on our playground.

Extended Care for School Age Children

Our **before school program** includes a wholesome breakfast and free-play geared toward school age children. A teacher will accompany them to the bus which transports the children to and from our campus. Parents are responsible to arrange busing for their children through the Jackson School District.

Our **after school homework assistance program** consists of a wholesome after school snack followed by outdoor or indoor physical activities. The children will be working with a licensed childcare teacher and will have the opportunity to work with them in a quiet environment to complete their homework assignments.

We offer supervised internet access and daily communication with parents on the status of their child's homework for the day. We will also offer to communicate with their child's teacher, with parental permission, to ensure their homework is successful and to support them in any areas where they may need additional assistance.

Our **School Year Blast Program** offers your child the opportunity to join us between the hours of 6AM – 6PM for fun and exciting activities during their school holidays or scheduled days off.

Summer Splash Program for School Age Children coincides with the West Bend School District end date. We offer affordable tuition, monthly excursions, sport activities, an art program, an academic reading program, vacation bible school and more. Breakfast and two healthy snacks are included as well.
