ALPHABET EGG HUNT

This April, 4K students hunted for Alphabet Eggs, putting their literacy and art-making skills to work on a picture perfect day! The egg hunt began with individually designed bunny bags before heading to the back lawn. The challenge was to find a yellow egg with their name on it and five other colored eggs with letters on them. When children found all six eggs, they wrote their letters and names on a matching sheet. **Eggcellent Adventure!**
