# LIVING WORD CDC PROGRAMS

## THREE AND UNDER

### Infants/Toddlers

Loving, individualized care is the foundation of our infant and toddler programs. Individual schedules are set for infants to best meet their needs. Our teachers engage both groups in activities that encourage gross and fine motor skill development and language and social skills. A healthy breakfast and two snacks are included in the tuition for children over one year of age.

### Part-Day and Full-Day 3K Program

Our **part-day 3K** program is designed for three-year-olds who need only an academic program and socialization without all-day care. This well-rounded program includes opportunities for spiritual, social, academic, emotional and physical growth.

Our **full-day 3K** expands the part-day academic program to include all-day care with structured free play, breakfast, two snacks, lunch time (parents provide a cold lunch), rest time and large motor skill development.

## SCHOOL-AGE

### Extended Care

Our **before school program** includes a healthy breakfast and free-play designed for school-age children. A teacher accompanies them to the bus which transports the children to and from our campus.

Our **after school program** consists of a healthy snack followed by outdoor or indoor physical and social activities.

*Parents are responsible to arrange busing through WBSD using their provider Riteway (262) 429-1334.*

### School Year Blast

**School Year Blast** offers your child the opportunity to join us between the hours of 6 am – 6 pm for fun and enriching activities during their school holidays or scheduled days off. **We also offer care during weather-related school closings.**

### Summer Splash

Our summer program coincides with the WBSD end date. We offer affordable tuition, monthly excursions, sport activities, art, reading, and more. Breakfast and two healthy snacks are included.
