

Living Word CDC Newsletter

April 2024

A Note from the Administrator:

Greetings in the name of our Risen Lord! I hope everyone had a blessed Easter!

Spring is in the air! We anticipate warmer temperatures and longer sun filled days. Spring reminds us of new beginnings. As several of our children transition to new classrooms this month, we look forward to new friendships forming.

The children are working hard preparing a wonderful Easter program that they are excited to share with you! Don't forget to stay for the carnival after the program. Lots of fun to be had!

Classroom Spotlight:

Room 10 – Miss Dani

This month, our class worked on improving our fine motor skills by incorporating more structured activities into our day. We practiced color matching, manipulating PlayDoh, and sorting with tweezers and scoops, among many other fun and engaging activities. And of course, we were so delighted when Lucky the Leprechaun visited us and brought us some yummy treats.
