

Living Word CDC Newsletter

May 2024

A Note from the Administrator:

May is a month of celebrations! We look forward to Mother's Day where we honor the women in our lives who have raised us and made a difference in our lives by nurturing and caring for us. We celebrate our 4K students as they graduate and look forward to Kindergarten.

This month, we also celebrate Teacher Appreciation Week. The definition of appreciation says "to recognize the good qualities in someone". Please join me in celebrating all the amazing teachers we have here at the CDC! I have a list of everyone's favorite things, so please reach out if you need any ideas on how to bless their week!

Visits with High School Students

For the last few weeks, students from Living Word High School have visited the CDC once a week as part of their Faith Applications class. I think both parties look forward to their visits each week. Thank you High School students for sharing your love of Jesus with us!
